Recreation Program Scheduled For City Play Areas

Superintendent Elmer Nelson's summer recreation program is being set up by a banner season in city play areas. Over 200 volunteers, under the supervision of director Gene DeSoto, are part in the department's camp program at Terrace Park. The youngsters learned to set up camp and how to use a knife and axe. They studied lore and outdoor cooking and on their trail hikes to Nature Area, the campers are able to track denizens of the woods.

The final campfire, August 23, the department acknowledged the work of junior leaders Pam Daffery Gray, Ingrid He-Diana Walk, Linda Springs-Nanette Celia, Ellen Celia Andrea Wolf.

Up to 300 players have come in intramural leagues conducted by the City Recreation Department for men, women, and children. Special classes which have drawn a big following of children are dramatics, and tennis.

Major citizens meet weekly on Monday, Tuesday and Wednesday. The teens gather at the Community Center for such pastimes as volleyball, badminton, tennis, chess and checkers. Ground youngsters will play in their city-wide vaudeville for which they have been fully rehearsing for weeks. On August 21, at the Community Center Auditorium starting at 2:00 p.m. Bud Rooney is the man of the affair.

Memorial Park there will be an intramural track and field on Friday, August 22, while the tennis tournament will be held at Terrace Park, starting at 8:30 a.m.

On August 23 through 27 there will be a "Puppet Festival" at the Park, and on Friday, August 29, summer activities will include with a tremendous "Fun and Circus" at Memorial Park.

Labor Day Picnic will be held at Terrace Park on Monday, September 1, with activities ending at 10:00 a.m.

Campbell Ford Will Distribute New Jap Auto

Curt Campbell's Ford proudly announces that the internationally known Toyopet, first Japanese automobile on the American market, will be introduced for the first time on Friday, August 22, when it goes on display at Curt Campbell's Ford, 836 San Pablo Ave., Albany.

"We are highly pleased to introduce the beautiful Toyopet line upon this history-making occasion of its first appearance in this country," J. B. Woulfe declared. "This is our cordial invitation for you to come in now and see the remarkable Toyopet displayed in our showrooms."

Woulfe revealed that the Toyopet Crown, famed as Japan's prestige, quality car, is first to be shown in the four-door, six-passenger sedan model. It is powered by the Toyopet four-cylinder, valve-in-head, 60 horsepower engine.

The rugged Toyopet engine delivers up to 33 miles to the gallon. It is a modern design short-stroke, four-cylinder overhead valve power plant enabling the Toyopet to cruise smoothly and comfortably at expressway speeds.

Combining small car economy and six-passenger big car comfort, the Toyopet provides more than ample leg and head room. The dimensions are 14 feet long, 5½ feet wide and five feet high. Car weight is 2688 pounds.

Manufactured by Toyota Motor Company, Ltd., Nagoya, the Toyota motor car line is one of the largest single export products from Japan. Famed as the leading producer of motor vehicles in the Far East, Toyota cars, station wagons, trucks and buses are sold in 64 countries throughout the world. Sales now account for approximately half of the total automotive market in Japan.

Handling distribution in this country is Toyota Motor Sales, U.S.A., Inc., the importing company, capitalized at \$1,000,000, and the Toyota Motor Distributors, Inc., Hollywood. Both Toyota subsidiaries in this country are solely owned by Toyota Motor Sales Company, Ltd., and Toyota Motor Company, Ltd., Nagoya.

Woulfe revealed that a wide selection of colors is available and the conservative styling includes a modest amount of chrome trim. Luxurious full-width seat cushions are covered with pleated vinyl upholstery, providing more family comfort and contributing to the ease of upkeep.

The Toyopet delivered price is \$2187.00, plus tax and license, delivered in Los Angeles, San Francisco and Portland.

Chamber Chatter

By IRENE GROVE

Cities such as our city of Albany do not just grow; they are the result of unending work by groups of citizens who place the welfare of all above the wishes of the individual. Albany is what our forefathers made of it. Back in the early days of Albany . . . that we are thinking of so much now on the eve of our fiftieth anniversary . . . it wasn't only the officials of the city that were busy with improvements. In the book "Story of Albany," we find that there were sidewalk-laying bees and at one time seven hundred maple trees were purchased by the city and everyone turned out to plant them fifty feet apart on Stannage, Kains, Adams and Madison Streets. That was the cooperation of yesteryear that made possible our beautiful and progressive city of today.

The Albany of tomorrow will be just what the citizens of today see fit to make it . . . nothing more or less.

Your Albany Chamber of Commerce Board of Directors is planning a great many projects to make this cooperation and progress possible. At its regular meeting August 14 a committee of W. M. McAuley, City Engineer; Police Chief Ralph Jensen; Eddy West and Stan Young was appointed to work directly with the committee to be appointed by the Albany City Council on waterfront development and to study possibilities of a small

craft harbor for our city.

Improvement of street lighting on San Pablo and plans for city beautification is in the hands of a committee headed by Mrs. May Olson. How much more beautiful a city we have because of those trees planted so many years ago. Now we must make it even better.

Fiftieth Anniversary plans are still going ahead. All those attractive men with the latest in beards are going to have an opportunity to have a permanent record of their present glory. The Hildebrand Studio is sponsoring a contest . . . for \$1.00 contestants can have a 8x10 portrait taken . . . winner will get a 15x20 portrait.

A meeting of all Albany merchants is to be held Wednesday night at the Y.M.C.A. to discuss merchants' publicity and promotion for the "gala" week. Some really super ideas are in the planning to help make it more fun and create more business for our merchants . . . more about it next week.

Your Chamber of Commerce Manager attended the dedication of the Nimitz Freeway and reception for Admiral and Mrs. Nimitz August 12 in Oakland. Quite a memorable occasion.

Doesn't anyone know a possible candidate for Parade Marshal for the Celebration . . . the committee is still looking.

Till next week . . . "Yours truly" Your Chamber of Commerce Manager.

Schedule Issued For Registration At Local Schools

The dates and hours for registration of students at Albany's schools have just been issued from the office of Albany Superintendent of Schools Kenneth M. Forry. New students will be able to register on the following schedule:

Kindergarten through Grade 7: CORNELL & MARIN SCHOOLS, 9 to 12 and 1 to 4, each day of the week of Aug. 25. MacGREGOR SCHOOL, 9 to 12 each day of the week of Aug. 25. VISTA SCHOOL, 1 to 4 each day of the week of Aug. 25.

Grades 8 through 12: ALBANY HIGH SCHOOL. Registration for new students not previously in attendance in Albany schools will be held at the high school on Friday, Aug. 29, 9 to 12, and 1 to 4.

City Civil Service Plans Examinations

The Albany Civil Service Commission has just announced the holding of competitive examinations for "Patrolman-Clerk" and "Policewoman-Clerk," with salary ranging from \$460 to \$500. Closing date for filing is Sept. 23. For information call LA 6-6116, or address the Commission at 850 Masonic Avenue, Albany.

School Board To Meet Aug. 26

The Albany School Board will hold a special meeting on Tuesday evening, Aug. 26, starting at 7:30 p.m.

City To Protest Stege Sewage Disposal Plan

After hearing a representative of the Regional Water Pollution Control Board at its session Monday night the council went on record as definitely opposed to the proposed by-passing of the Stege Sanitary District disposal plant in case the amount of waste should exceed the capacity of the sewer and plant.

The control board appeared to favor permitting the waste discharge in the bay on the south side of Pt. Isabel whenever necessary. This brought a sharp response from Councilman Blank, backed up by other members of the council, calling attention to initial moves made the preceding week toward establishing a small craft harbor near the point mentioned, and a possible establishment of a beach and recreation center adjoining a yacht harbor.

It was brought out that there already is a nauseating stench at the shoreline in that area, and that the city wants to clear this area up and not to permit it to grow worse.

Councilman Blank asserted he could not see why the Stege authorities would be willing to spend several hundred thousand dollars for a sewer by-pass, when the same amount of money would go far toward enlarging the facilities to take care of an overload on a permanent basis.

Blank agreed to attend a meeting of the control board on Thursday and to make vigorous protest against any pollution threat to Albany's shoreline.

Mrs. Comesky Is Finalist In Bake-Off Test

Mrs. H. A. Comesky, 411st Missile Battalion, Berkeley, Calif., today was named one of the 100 finalists in Pillsbury's Grand National Bake-Off Contest, to be held September 21, 22, and 23 in New York City. This year the baking event will return to the Waldorf Astoria for its tenth anniversary; last year the Bake-Off was held for the first time in Beverly Hills, Calif.

One of the 15 Brides who will compete in the Bake-Off, Mrs. Comesky was chosen on the basis of a cookie recipe she submitted for contest judging earlier this year. Contest rules define a "bride" as a woman 19 to 30 years old married after March 1, 1956.

News of her good fortune came today when L. E. Fahey, Pillsbury Supervisor for this area, called on Mrs. Comesky to present her with a \$100 check and to arrange transportation and final plans for her trip to New York.

U.C. Dames Plan Summer Picnic

As school time again approaches, members of the U.C. Dames Club are looking forward to their annual summer picnic which is to be held at Cordornices Park in Berkeley on Sunday, August 24, from 11 a.m. to 6 p.m. Co-chairmen for the event are Mesdames Gene Kuykendall and Donald Stocks, who remind members to bring their families and friends. Each family is to bring their own food and drinks. The day will be one of frolicking with baseball, volleyball, and other games for children and adults.

The Dames Club wish to extend an invitation to any wife of a student attending the University of California to become a member. Meetings are held on the second Monday of each month at Gorton (Senior Women's) Hall. For further information contact Mrs. Ron Burger, 566 Arlington Avenue, Berkeley.

If this first Games Night proves successful the Post plans to conduct a series of this type of entertainment every two weeks through

the fall and winter seasons.

MEMBERS OF the Albany Rotary Club, visitors and guests were given an "inside look" at the nuclear power plant at Vallejos near Pleasanton late Tuesday noon at Spenger's. The colored film was presented by W. C. Hansen of the Richmond office, P.G.&E. Hal Weller was chairman of the day, while President Herb Foley presided.

Realtor Jerome Blank has promised an interesting program for next Tuesday's Rotary luncheon, but up to press time details were still missing.

THE PURCHASE BY CORNELL PTA of four new radios for classroom use at the school will enable students to enjoy programs of both cultural and news value, according to Mrs. Jack Murrow, newly elected president of the Albany unit, who cites the Standard Symphony Hour and broadcast of current news as examples of the types of radio programs from which children may be expected to benefit.

The radios were presented to Milton D. Gordon, Cornell principal, by the PTA following the recommendation of a committee appointed to study the needs of the school.

A PARTY AND TRIP to the Albany Firehouse is being planned for the current twenty-five graduates of the Albany Pre-School at 850 Masonic Avenue. The event will take place on Thursday, the 28th of August at 3 o'clock p.m. Co-social chairmen of the event Mrs. William Triggas and Mrs. Raymond Harvey will assist Mrs. Nell Curran, director of the school, in making the party a success.

The graduates this year are: Jan Leslie Aiferness, Dicky Bentley, Barbara Cain, Elizabeth Cox, David Crevar, Kent De Gier, Debbie Ewing, Ricky Frankhuzen, Tommy Telbusch, Paul Hilgry, Johnnie Holsworth, Al J. Hook, Lorna Jacob, Adele Long, Mark MacMahan, Freddie Mendosa, Michael McMurdie, Gena Orr, Richard Ortmom, Christine Reichle, Kristi Ross, Karin Schwab, Nicola Selph, Bonnie Springston, Terry Takhen, Athena Triggas.

THE ALBANY HILL Association will hold its regular quarterly meeting on Thursday, August 21, at 8 p.m., at the home of Mr. and Mrs. Carl Williams, 851 Solano Ave. The Wednesday night Open Hearing for the proposed Rezoning of Albany, which was well attended by the Hill Association, will be one of the topics to be discussed. Also under discussion.

VOTERS TO DECIDE ON BOND ISSUE

Albany voters will decide on a city bond issue of \$590,000 for new city buildings when they go to the polls on Tuesday, November 4.

This was decided at the regular meeting of the Albany City Council Monday night, at which time the council voted on three resolutions, and a final ordinance authorizing an election to decide for or against the issuance of municipal bonds.

This matter required a four-fifths council vote for passage. Councilman Leonard L. Keck, was absent on his vacation, and Councilwoman Kathie S. Zahn was reported ill at home. After explaining the problem to Mrs. Zahn over the telephone, she consented to get up from her sick bed and come down to the council chamber to cast her vote on the vital issues.

These were: Resolution No. 58-75 — Approving City Plan "A" (which previously had been passed by the Albany Planning & Zoning Commission); Resolution No. 58-76, Determining that public interest and necessity demand a new City Hall, Police Station, and Fire House; Resolution No. 58-77, requesting consolidation of the bond election with the November general election; Ordinance No. 58-027 — Calling for a special municipal election for submitting measure of incurring bonded indebtedness for public buildings. The vote on all the measures was unanimous, 4 to 0. Mrs. Zahn obviously was quite ill, and left the council chamber after voting was completed on the four important items.

Plans for the bond issue call for a 30-year period, with interest at not to exceed 6 per cent per annum.

Architect's models of the proposed new city hall, police station and fire house were on display at the city hall, and will be moved about and displayed at the various city department offices, at the city's banks and other public places.

Search of the city's files by Attorney Foley finally unearthed an anti-litter ordinance of old vintage, which will be submitted to the council Monday night.

The council approved a request of the city engineer that the city clerk be authorized to accept bids for constructing of a retaining wall on Jackson Street, with opening date September 2.

City Health Officer Dr. Robert T. McMahon requested the council for an amendment to Ordinance 748 "which would define nuisance and improve enforcement procedure regarding releasing of pigeons." This was held over a week pending further study.

Request from City Engineer McAuley that the city reimburse John Erickson for one of the lenses of his eyeglasses, broken while working in a sewer trench. Replacement was estimated at approximately \$14. Mrs. Zahn moved that this be done, with Councilman Blank seconding.

Request of Howard Rohrer for permit to operate a used car lot at 734 San Pablo Avenue, in conjunction with the Renault showroom at 730 San Pablo which he operates. Recommended.

Recommendation of City Engineer McAuley that a red zone be established north of the entrance to the Albany Bowl parking lot on the west side of San Pablo, was granted.

Approved appointment of Harold Shinnery as relief janitor.

Approved amendment to Resolution 58-67 to add time off days to Police and Fire Department schedules.

Noted Orchestra Leader to Appear At State Fair

SACRAMENTO — Hal McIntyre, whose orchestra holds a top place with the nation's popular music fans, will be among the featured Night Show entertainers at the California State Fair and Exposition this year.

McIntyre, with his 20 piece orchestra featuring vocalist Jeanne McManus and the McIntyres, will appear in the Night Show each of the 12 nights at the Fair, which will be held Aug. 27 through Sept. 7.

Featuring a style all his own, McIntyre has recorded scores of top tunes, among them his all-time hit, "Sentimental Journey," which still is a dance favorite and best seller across the nation. His orchestra's subdued reed voicing, bright clipped brass, and McIntyre's own brilliant sax solos have made him a real favorite with audiences from New York to Hollywood.

A former member of the Benny Goodman and Glenn Miller bands, McIntyre started his own orchestra just prior to World War II, and since that time has remained on the top rung of the show business ladder.

His appearance at this year's State Fair Night Show will add color and enjoyment to the nightly extravaganza.

Floral Prizes at Fair to be \$50,416

The floral exhibits in the popular Hall of Flowers at the California State Fair and Exposition August 27 - September 7 in Sacramento will be worth a total of \$50,416 in premiums to the winning exhibitors.

Four New Courses Added by Army In School Program

Master Sgt. Jeff Casserly, Berkeley Army recruiter, announced today that four new courses have been added to the technical school list now open to men enlisting in the Army under the Guaranteed School Program. Also, five courses have reopened to women enlisting in the Women's Army Corps under the same program. Men who are high school graduates may apply for Airplane Repair, Helicopter Repair and Explosive Disposal. These are in addition to the 67 courses currently open.

Women's courses just reopened include Dental Assistant, Cryptography, Teletype Operation, Supply and Cooking. These have

been highly sought after and have been closed for several months.

The Army's Guaranteed School Program allows high school graduates to apply for a school of their choice prior to enlistment. When an applicant has been qualified he or she receives a letter which serves as a guarantee of assignment to the technical training of his or her choice upon completion of basic training. For further information concerning this opportunity contact M-Sgt. Casserly at the Army Recruiting Station! Main Post Office in Berkeley.

Rough and Ready Lived Up to Name In Gold Rush Days

Most students of California history have something of a soft spot in their hearts for the hard little town of Rough and Ready up in the Mother Lode country.

During the Gold Rush days, points out the National Automobile Club, most towns in the Mother Lode country were fairly boisterous and blaring but, somehow or other, Rough and Ready had its moments when it outshone them all.

There was the time when they decided to launch their social life by throwing their first dance. Six women and 250 men attended that dance. There might have been a shortage of women, but there was no shortage of fights. A new one broke out about every two or three minutes. And at least half a dozen times during the evening some happy miner in the room below the dance hall would delight himself by playing the practical joke of pulling out his trusty forty-five and blasting up through the dance hall floor.

There was the time when the miners caught a crooked gambler cheating at cards in a local saloon. They shot him on the spot. That was routine procedure in Rough and Ready. On this particular occasion, however, they decided to have some more fun at the gambler's expense. They laid him out on the nearest pool table and started placing bets on the precise moment at which he

would pass. There was the time when one of the town notables met a violent end and most of the citizens went out to the graveyard to see the burial. During the service, someone in the crowd noticed that the earth turned out for the grave was rich in gold ore. That broke up the burial right there. They didn't even give the minister a chance to finish his prayers. In a frantic few minutes the miners had staked out their mining claims all around the corpse. The really big moment for Rough and Ready came in 1850 when, with a hifalutin' proclamation, they seceded from the United States of America, adopted their own constitution, and set themselves up as The Great Republic of Rough and Ready. This movement was soon ridiculed out of existence and Rough and Ready returned to the Union.

In a few short years, however, the gold was gone and Rough and Ready was gone too. Today all that remains of the tough little town belies its belligerent

LEGAL NOTICE
STATE OF CALIFORNIA
DEPARTMENT OF PUBLIC WORKS
DIVISION OF HIGHWAYS
NOTICE TO CONTRACTORS

Sealed proposals will be received at the office of the State Highway Engineer, Room 510, Public Works Building, Sacramento, California, until 2 o'clock p.m. on September 17, 1958, at which time they will be publicly opened and read in the Assembly Room of said building, for landscaping on State highway in accordance with the specifications

LEGAL NOTICE
therefor, to which special reference is made, as follows:
Alameda County, in Berkeley and Albany, between Virginia Street and Albany (IV-Ala-69-Ber, Alb), about 0.8 mile in length of roadside areas to be prepared and planted.
Bids are required for the entire work described herein.
The attention of bidders is directed to the fact that the work herein proposed to be done will be financed in whole or in part with Federal funds and that therefore all of the applicable Federal statutes, rules, and regulations will apply to such work.
The attention of bidders is particularly directed to the provisions of Section 7, article (a), subarticle (6), of the Standard Specifications regarding the use of domestic materials; to the provisions of Section 8, article (b), of the Standard Specifications regarding assignment of the contract; to the requirements of Section 7, article (h), of these special provisions regarding non-collusion among contractors; to the requirements of the special provisions regarding subcontracting; and to the prevailing wage rates predetermined by the Secretary of Labor as provided in Sections 5 and 7 of the special provisions.
Minimum wage rates for this project have been predetermined by the Secretary of Labor and are set forth in the special provisions.
In accordance with the provisions of Section 1770 of the Labor Code of the State of California, the Department of Public Works has ascertained the general prevailing rate of wages applicable to the work to be done to be as follows:

RATE PER HOUR	CLASSIFICATION
3.875	SKILLED LABOR
3.75	Plumber
3.75	Power blade operator
3.50	Roller or self-propelled

LEGAL NOTICE

2.935 Rotary scarifier operator (rototiller and similar)
UNSKILLED LABOR
2.685 Flagman
2.685 Laborer
The minimum wage paid to all skilled labor for which rates are not shown above shall be not less than \$3.10 per hour.
The minimum wage paid to all intermediate labor for which rates are not shown above shall be not less than \$2.685 per hour.
The minimum wage paid to all unskilled labor for which rates are not shown above shall be not less than \$2.685 per hour.
Overtime - not less than one and one-half (1½) times the above rates.
Sundays and holidays - not less than one and one-half (1½) times the above rates. The holidays upon which such rates shall be paid shall be all holidays recognized in the collective bargaining agreement applicable to the particular craft, classification or type of workmen employed on the project.

LEGAL NOTICE
In the event there is a difference between the minimum wage rates as predetermined by the Secretary of Labor and the prevailing wage rates as determined by the Department of Public Works for similar classifications of labor, the Contractor and his subcontractors shall pay not less than the wage rate which is the higher of the two.
Plans, specifications, and standard proposal form to be used for bidding on this project can only be obtained at the office of the State Highway Engineer, Public Works Building, Sacramento, California.
Plans and specifications may be seen at the office of the State Highway Engineer at Sacramento, at the offices of the District Engineers at Los Angeles and San Francisco, at the office of the District Engineer of the district in which the work is situated, and at the office of the Associated General Contractors in San Francisco.
No bid will be considered unless it is made on a blank form furnished by the State Highway Engineer and is made in accordance with the provisions of the Proposal Requirements and Conditions set forth under Section 2 of the Standard Specifications. Each bidder must be licensed and also prequalified as required by law. (See said Proposal Requirements and Conditions.)
The Department of Public Works reserves the right to reject any or all bids.

In The Albany Churches

GRACE LUTHERAN

At Grace Lutheran Church, 1000 Fe Avenue at Ward, the Rev. O. R. Janke, pastor, will speak in both the 9:45 a.m. and 11:00 a.m. services next Sunday on the topic, "Twentieth Century Missionaries."

The lesson topic for the graded classes of the Sunday school meeting at 9:45 a.m. will be, "The Marriage of Isaac and Rebekah." The junior Bible class meets at the same hour.

The women's Bible class will hold its bi-weekly session next Thursday at 11:30 a.m., followed by a business meeting of the World Friendship Guild, Mrs. Donald Jensen presiding.

ALBAN'S EPISCOPAL

7:30 a.m. Holy Communion. 9:15 a.m. Morning Prayer, at which time nursery care is provided.

11:00 a.m. Morning Prayer and sermon on: "Help Wanted: Paints." Nursery care is provided and a coffee hour to which all are invited, follows.

The rector is the Rev. John Hathaway Blackledge.

FIRST BAPTIST

Dr. Odgaard will speak at both

services Sunday. At the Morning Worship Service at 11 a.m. he will speak on the sermon topic, "Harvest Time." The Church Choir will sing "Thou Mighty to Save."

At the Evening Gospel Service which begins at 7 p.m. the Pastor will bring a message on the topic, "Rest For the Weary." An informal one hour service with music and message. Wednesday evening, 7:30 p.m., prayer, meditation and Bible study.

CHRISTIAN SCIENCE

How selfishness is overcome through the acknowledgment and understanding of God as the only Mind is a topic to be dealt with at Christian Science services Sunday, at 533 San Pablo Avenue, Albany.

Among the Bible passages to be read in the Lesson-Sermon on "Mind" is this admonition of Paul: "Let nothing be done through strife or vainglory; but in lowliness of mind let each esteem others better than themselves. Look not every man on his own things, but every man also on the things of others. Let this mind be in you, which was also in Christ Jesus" (Philippians 2:3-5).

Also pointing out the way to

overcome selfishness are correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, including this one: "When we realize that there is one Mind, the divine law of loving our neighbor as ourselves is unfolded; whereas a belief in many ruling minds hinders man's normal drift towards the one Mind, one God, and leads human thought into opposite channels where selfishness reigns" (205:22).

Christian Science Society, Al-

bany, California holds regular Sunday morning services at 11 a.m. and Wednesday evening meetings at 8 p.m. and Sunday School at 9:30 a.m. on Sundays.

COMMUNITY METHODIST

The Rev. Douglas H. Henderson, minister at the Albany Community Methodist Church, who with his family has been on vacation touring abroad since July 8, will return Friday evening the 22nd of August and will resume his ministry with the morning of

the 24th service at 10 a.m. and will preach from the theme, "The Fifth Point of the Compass."

He reports a most interesting and gratifying experience, having visited England, Scotland, France, Belgium, and Holland. It was their privilege to visit some notable churches, and he reports preaching in Scotland, and making observations which he will soon present in a series of illustrated addresses, one of which he notes will be on "The Religious Interpretation of the Brussels

Exposition." The Albany Church most cordially invites his many friends both within the church and the community.

NORTHMINSTER PRESBYTERIAN

Rev. James B. Hubbell will bring the message to the congregation at the morning worship service on Sunday, August 24. The Elder of the Day who will assist Rev. Hubbell with the service will be Mr. Stan Schmidt. Carol Culbertson will preside at the organ.

A nursery is provided during the morning worship service for the benefit of those who have pre-school children.

Sunday School for Nursery through High School age begins at 9:30 a.m.

Youth Groups for Junior High and Senior High age young people begin at 6:30 p.m. in the fellowship hall of the church. The program consists of a worship service followed by an hour of fellowship. Advisors to this group are Mr. and Mrs. James Linn.

A PERFECT FAMILY AUTOMOBILE FOR THE "THINKING MAN"

THE REMARKABLE HAND-CRAFTED

TOYOPET CROWN

-  Six adult passenger capacity—not an inconvenient 2-3-4 or 5—this appeals to the "Thinking Man" who realistically faces the transportation needs of today's large American family.
-  4 big doors...never again snagged nylons, bumped heads, bruised shins or the other inconveniences of getting passengers in and out of a 2-door.
-  Freeway safety features...360° visibility provided by big-picture, safety glass windows...and the car weighs so much more—2688 pounds providing you with combined "two-frames-in-one" and extra heavy-duty steel body construction.
-  Children's safety light—a unique alarm light on the dash—instantly flashes red if any door is ajar or accidentally opened at any time while the car is stopped or moving. The "Thinking Man" knows how important this can be for adult safety as well as the children's protection.
-  King-size trunk space...roomy enough to handle the family shopping, lots of luggage—THE TOYOPET CROWN is built with the family's need for room in mind.

-  Extra driver and passenger comfort is standard equipment in each TOYOPET CROWN. Big six-foot "Thinking Men" will particularly appreciate the amazing leg, head and "stretching" room. All six passengers ride in cushioned luxury on full width front as well as full width rear seats. The door-windows roll all the way down. There's a superb fresh air heater-defroster. Because of advanced aerodynamic design, even rear seat passengers will enjoy ideal "draftless" ventilation.
-  Lifetime quality through handcrafted mechanical features and coachwork reflect the perfection that is built into a fine limited-production automobile when enough time is taken. Almost a lost art—preserved hitherto only in other custom vehicles costing thousands of dollars more—this knowledge of durability and dependability registers strongly with the "Thinking Man."
-  Modern functional beauty—Japanese modern design, which has had such a great influence on our contemporary furnishings and luxury home architecture, is reflected in the beauty and exceptional quality of the Crown's decor. Multiple coats of long-lasting and beautiful lacquer paints, plus a gracious blend of durable interior

materials, reflect the good judgment and quiet good taste of the "Thinking Man."

 Real protection for the family budget is designed and built into each TOYOPET CROWN. Up to 33 M.P.G.—plus ease of maintenance (claimed by master mechanics who tested this automobile from coast to coast) can mean many hundreds of dollars saved each year by the "Thinking Man." Now with TOYOPET, one can reduce transportation costs while increasing transportation safety, dependability, comfort, convenience and pleasure.

 Standard equipment which comes on the TOYOPET CROWN—directional signal lights, two sun shades, multi-toned horn, deluxe steering wheel and horn ring, speed-limit warning light, complete undercoat insulation, dual electric two-speed windshield wipers, gasoline filter, oil filter, chrome bumper guards front and rear, pleated vinyl upholstery, high beam indicator, rear view mirror, natural rubber tires, coat hangers, automatic interior courtesy lights, gas tank lock, push button door handles, dual-cylinder brakes, fresh-air heater, door safety light.

The luxurious TOYOPET CROWN is built in the 550 acre ultra-modern manufacturing facility of Japan's largest and most experienced automotive concern—TOYOTA MOTOR COMPANY, LTD. ... TOYOPET—the traditional prestige automobile of Japan. Drive it yourself today and discover the perfect family car...
